

Welcome!!!!

Welcome back to school!!! My name is Tyler Lane. I will be teaching your son or daughter's physical education teacher for the upcoming school year. I am extremely excited to be returning to TMS for my second year on campus as a teacher.

I grew up in Templeton, attending school here from kindergarten until graduation day in June of 2003. After graduation I went to school at Chico State University (GO WILDCATS!!!) where I earned my degree in Kinesiology. I also earned both of my teaching credentials there (Physical Education and Adapted Physical Education).

In my free time I enjoy coaching sports at the high school (Football, Basketball, Tennis), exercising and spending some quality time with my friends and family. Fun trivia question about me: Can you guess which one of the teachers on campus is one of my parents???? We were able to keep it under wraps for most of the year last year.

My goal as a PE Teacher, is to not only teach your children the skills necessary to participate in a variety of physical activities but to also inspire them to want to live a healthy and happy lifestyle. Hopefully they have a wonderful experience in my class this year. Feel free to contact me anytime. My email is tlane@templetonusd.org. Drop me a line and I will be happy to get back to you as soon as possible. Thanks so much

Tyler Lane
